Property Description:

36,000 Sq. Ft. Farm Houses

4000 square yards (8 kanal) fully developed orange orchard farm house is available for sale. It is situated in a Scheme of about 120 similar farms. The whole scheme is enclosed by boundary wall. It is designed by Minawa Construction Company as a farm house, residential scheme with wide metaled roads, street lights, underground electricity, gas and water supply for each farm. It is an excellent living concept of exceptional aesthetic value. Top quality roads have already been constructed by Karcon, water supply project is completed, road drains and street lights are in process. The scheme has to have a club house with swimming pool, indoor sports, and a dining hall. The farm being offered for sale has about hundred fruit trees of different sizes with majority of oranges bearing good quality fruit. It is a great concept for peaceful, clean and healthy living.
